PLAYBOY PRESS

For a few weeks this past summer fans of PLAYBOY and Newsstand Specials who chat online via the Playboy Digest discussed an experience most males have in common. In fact, the direct result of that experience is currently cradled in your hands: the purchase of a men's magazine. Whether it's from your local c-store, street vendor or mega book emporium, the buying of a PLAYBOY, NSS or other glamour mag exercises your will, your commitment and your personal freedom. The purchase of these magazines rarely comes without some editorial comment from the other side of the counter. We've all seen the knowing grin, the smirk, the disdainful look over

the top of the glasses. Clerks don't want to touch it, scan it, even look for the price for fear the smutty contents might somehow ooze through the pages and onto their skin. If you asked for chewing tobacco to give an eight-year-old you would get a less negative response. A guy behind the counter poses little problem, so in general it's the women whose piercing stares dare you to make eye contact. You sense a holier-than-thou contempt. They're your judge and jury and you've just been sentenced to hell. I'll admit I rarely have to buy our product (it's one of the perks of my position), but when I have the transaction has been received with all the usual responses—from the salesgirl who wouldn't look at me, to an older woman in northern Wisconsin who was genuinely intrigued by our product. She had never looked at a BOL (no duh!) and while she thumbed through the pages with an approving smile I volunteered my role in its creation. She took a look at me then back at the magazine and nodded nervously while sliding the issue into a brown bag. What was first a nicely naughty midday diversion became uncomfortable, almost threatening, due to my presence. She was, however, able to gather herself and dismiss me with "have a good day" as I left the store. Others on the Internet shared their experiences. From Steve, a regular on the site: "Mostly what I've noticed is just an amazingly quick change in their attitude. When I first go up to the cash register, they're 'Hi! How are you? Did you find everything all right?' And then they get to the NSS and their jaws tighten and the smile leaves their faces. After that I get no more conversation out of them outside of the price. My worst experience was when a 60-year-old clerk rang me up and proceeded to give me a lecture on pornography." Another hardened shopper added, "Personally, I just act completely unembarrassed by it. I don't really mind what a random shop assistant thinks. As for the few who have gotten markedly cold, I just feel a bit sorry for them for being so uptight and prudish." It's difficult enough to find our magazines on the newsstand, but then to be subjected to a hostile environment when making a purchase seems to violate our basic freedoms—and is a very strange way to do business. We should stand tall and take pride in our purchase. Next time you're at the Playboy newsstand borrow the cry from MTV and shout as loud as you can, "I want my Newsstand Special!" Let me know how it goes.

A full-body photograph of a woman with long, wavy blonde hair, seen from the back. She is wearing a bright pink, ruffled mini skirt and clear high-heeled sandals. She is standing on a light-colored wooden floor, with her left leg slightly forward. Her right hand is raised, touching her hair. The background is a plain, light-colored wall. The name "Shannon Malone" is written vertically in a white, cursive font on the left side of the image.

LYNN THOMAS A sensational blend of American and Vietnamese genes have made Lynn a Playmate favorite (May '97) and a popular NSS model. In fact, this 22-year-old cover girl appeared in our two most recent issues—*Body Language* and *Playmate Tests*—both of which are still available on newsstands. The beauty part of the equation is obvious, but Lynn is also a summa cum laude graduate of Manhattanville College. *Andrew Goldman, 1, 3, 4, 5, 6-7.*

JANIE DICKENS This blonde Brit last appeared in the March/April '97 BOL. Since then she's been furthering her modeling career in Europe. *Byron Newman, 8, 9.*

SARAH HUTCHINSON Determined, funloving and down to earth, this Floridian lives by the motto "Don't regret the things you do; regret the things you don't do!" What does she like to do most? Rollerblade, practice karate, sing, shop and cook. *Gen Nishino, 10, 11.*

VICTORIA FULLER Golf and tennis are avocations, painting and modeling her vocations. Miss January '96 admits that if she could do one thing and not get caught, she'd "add a few extra zeros to my paycheck." Visit her Web site at www.victoriafuller.com. *Phil Shockley, 12, 13.*

VICTORIA KNIGHT Her sexiest lingerie—a white teddy with garter belt and lace stockings—should not be confused with her favorite: "Mickey Mouse jammies with footies." She says the most unusual thing about her family is that it's entirely female: "My mom, three sisters, four horses, two dogs and three cats are all girls!" *Phillip Vullo, 14, 15.*

JENNIFER McMURREN She simultaneously appears in *Voluptuous Vixens II*. *Gen Nishino, 16, 17, 18, 19.*

KELLY MONACO Miss April '97 admits she's always loved being the center of attention, so it shouldn't come as any surprise that her life's goal is to "succeed in the land of make-believe." Her "bullheaded determination" should help in her quest. *Mario Barberio, 20, 21, 22-23.*

KAREN WHITE Thanks to wide-ranging commercial work, Karen's become increasingly familiar to European magazine buyers, but she hopes recent appearances on British television will parlay her modeling career into TV and film stardom. *Byron Newman, 24, 25, 76, 77.*

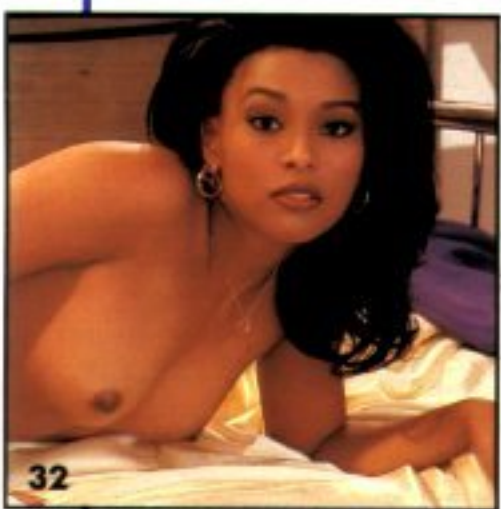

MALISIA PETROPOULOS Who says modeling is glamorous? "I was posing in my sexiest manner, trying to be sultry, when the photographer suggested I move my head a little to the left. I swung my head dramatically—right into a cement pole! What a klutz." *Mizuno, 26, 27, 74, 75.*

MISSY RAYKOSKE Baking and cross-stitching satisfy her soft, feminine side, but the beast in her is released at hockey games. "I love the sport. My favorite part is the fighting—especially when my guy wins!" Vital stats: 5'2", 102 pounds, 34-22-34. *Ric Moore, 28, 29.*

ILA EMAMI This half English, half Iranian beauty says she was "very loud and cheeky" as a kid. Her mom once said she could pick anything she wanted from a toy shop and "I guess she expected me to buy a dolly or something. She was totally shocked when I picked up a big white machine gun with flashing red lights. I loved that thing!" *Byron Newman, 30, 31.*

NICOLE NARAIN She debuted in our July/August BOL. *George Georgiou, 32, 33.*

KATALINA VERDIN Born 23 years ago in Tampico, Mexico, Katalina considers mastery of English one of her two proudest accomplishments. The other? Posing for Playboy. "It's a dream for so many girls, but only a few make it. I'm so proud I did." *Troy Plota, 34-35.*

PAULETTE MYERS "I'm pretty cool about nudity, but I have to admit it was a bit embarrassing when a group of ten-year-old boys unexpectedly walked by while I was on a shoot!" Favorite pastimes? Hiking, working out, reading, drawing and traveling. *Victor Sanabrais, 36, 37.*

MELISSA REIGEL A perfect day? "Sleep in late, breakfast in bed, lie around naked and watch TV." And what sort of guy would she like to share her day with? "Someone who has a sense of humor, loves animals and isn't afraid of love." *Stephen Sigoloff, 38, 39.*

VICTORIA ZDROK Inquiring minds want to know: What are some of Miss October '94's bedroom habits? Bed clothes: "Lingerie on special nights, a sweatshirt and socks on others." Sleeping behavior: "I'm a heavy sleeper and sometimes monopolize the sheets and blanket." Going-to-sleep basics: "I'm a cuddler. I love the spoon position." *David Rams, 40, 41, 42-43.*

STEFANIE HASTINGS Lingerie is a passion. "I spent the past year buying pretty panties." Where has she worn them? "On my head, to entertain my man." *Andrew Goldman, 44, 45.*

SHANNON MALONE An enthusiastic swimmer all of her life, Shannon feels right at home in bathing suits—both as Miss Hawaiian Tropic/New Jersey and as a model for Venus and Diamond swimwear catalogs. Vital stats: 5'5", 110 pounds, 34-23-34. *Gen Nishino, 46, 47.*

BRANDALA MARIE She likes stimulating conversation, men with a mysterious style and "cheesy, greasy, creamy, fatty things." Turnoffs include disorganization, guilt trips and men who talk about money. Vital stats: 5'7", 104 pounds, 34-22-34. *Chris Peter Paul, 54, 55.*

MICHELLE MONROW If she could do one thing and not get caught she says she'd kidnap Brad Pitt. Failing that she'll settle for a "caring, romantic, good-looking, muscular" guy who involves her in everything he does. Vital stats: 5'7", 114 pounds, 34-24-35. *Byron Newman, 56, 57.*

ANGELA PENTTINEN Her modeling/acting career is going very well, thank you, but in case of a glitch, Angela holds an EEG technician's certificate. *Gen Nishino, 58, 59.*

JOY BEHRMAN Turn-ons include white teeth and long hair. Injustice, dishonesty and arrogance are turnoffs. Vital stats: 5'7", 110 pounds, 34-24-34. *Gen Nishino, 60-61, 62, 63.*

DAKOTA SAL A first-generation Korean American, Dakota studied communications at USC, and is a busy commercial model. At home she likes to dress to please her man. "I love to wear sexy lingerie and shoes. But," she adds, "the shoes that I wear in the bedroom are *not* for walking in!" Vital stats: 5'6", 114 pounds, 36-24-35. *Mizuno, 64, 65.*

MORENA CORWIN How does Miss September '92 describe herself? "I'm extremely giving, always helping the ones I love. I'm also focused. When I set my mind on something I go after it until I get it. And I'm honest, hardworking and very loyal." *Byron Newman, 66-67, 78, 79, 80, 81.*

BROOKE RICHARDS Interests in painting, drawing, sculpting and dance suggest her creative side, but her ideal man need not be artistic so much as a "good listener with a strong mind and body." Vital stats: 5'8", 120 pounds, 34-25-36. *David Rams, 68, 69.*

CHARLIE O'NEALE She insists she was "quiet and ugly" as a kid. Some things never change (she's still quiet, she says), but some things, well, obviously do. At 20, she has plenty of time to find her ideal man—"tall, fit, modest, well-educated and faithful." *Byron Newman, 70, 71, 72-73.*

STACEY LEE COLDREN When not flirting with the little boys in her neighborhood, she says she was constantly "getting into trouble for smarting off" as a kid. These days Stacey saves the dramatics for theater performances. *Gen Nishino, 82, 83.*

DITA VON TEESE All her campy, vampy stuff—photos, calendars, books and videos—is on display and for sale on her Web site: www.dita.net. *Mizuno, 84-85.*

AIMEE PARKER She likes strong, sweet, handsome, spontaneous men and is especially turned on by hardbodies and good dancers. Don't even think about it if you're unmotivated or have chronic onion breath. Vital stats: 5'3", 105 pounds, 34-24-34. *Gen Nishino, 86, 87.*

JACQUELINE MARIE Although trained as a massotherapist, this Ohioan admits that the ham in her has made modeling her chosen career. "I entered every talent show, did the model thing in every fashion show I could as I was growing up. I've always loved performing and being in front of people." Vital stats: 5'7", 114 pounds, 36-22-34. *Gen Nishino, 88, 89, 90-91.*

LETTERS OF THE MONTH

Since buying my first BOL three years ago I must say you have surprised me with each issue. They tend to get better each and every time. Keep up the excellent work and thank you very much for including Leann Tweeden in your last issue. I used to see her on *Fitness Beach* on ESPN2 and I'd think, wow, that girl is simply perfect. You fulfilled one of my dreams by including her in Playboy's BOL, and I definitely hope it won't be the last time. ...D.S.

I recently purchased the latest issue of BOL and it made me reflect on the impressive quality and diversity that your magazines offer. I've purchased almost every NSS since Alley Baggett first appeared on the scene and I continue to be impressed with the high standards of the photography and the elegance of your models. You can be sure I'll be a customer for a long time to come. ...R.C.

I just got done dreaming over Karen White. She is absolutely the sexiest thing to hit your magazines. I hope to see much more of her, especially in those sexy look into the camera, soft pink lipstick, stockings and heels pics. ...B.F.S.

The cover of the September/October BOL states "Sexy, Sexy, Sexy...Says It All" and that's the theme throughout the issue. Christi Taylor is *awesome*! In my opinion the Playmate 2000 search stops with her. She has my vote. Christi Taylor rules! ...A.L.

Although I applaud your premiere issue of *Natural Beauties*, I simply couldn't enjoy it because of the Bare Facts page. One tidbit was gross-out nauseating and ruined the book for me. We all know this is semifiction and even if this is the Insensitive Decade we don't need nauseating, gross semifiction. Please hold the gross-outs and stick to giving us visual pleasure. K.L.P.

MODEL SEARCH

Playboy is always looking for new models. Three upcoming Newsstand Specials offer outstanding opportunities for women hoping to break into this exciting field:

COLLEGE GIRLS The qualifications are simple: you must be currently enrolled in college and at least 18 years of age.

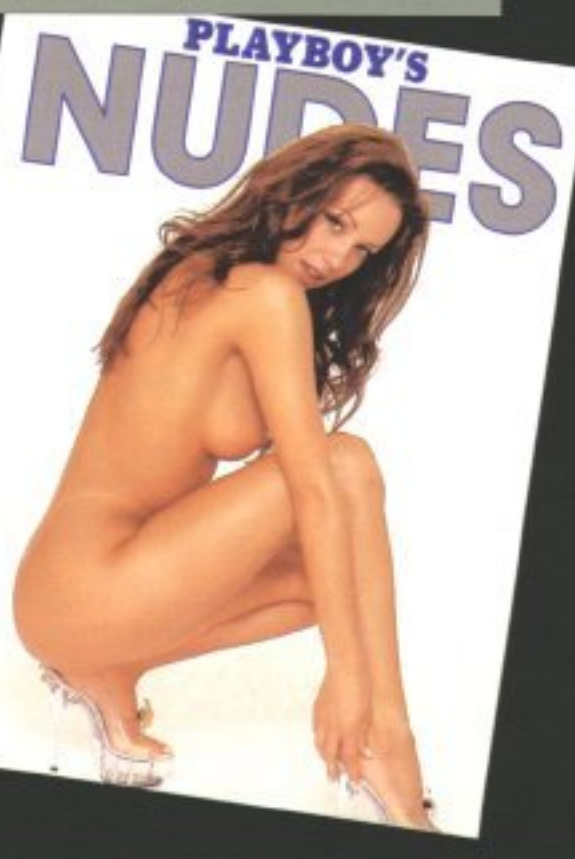

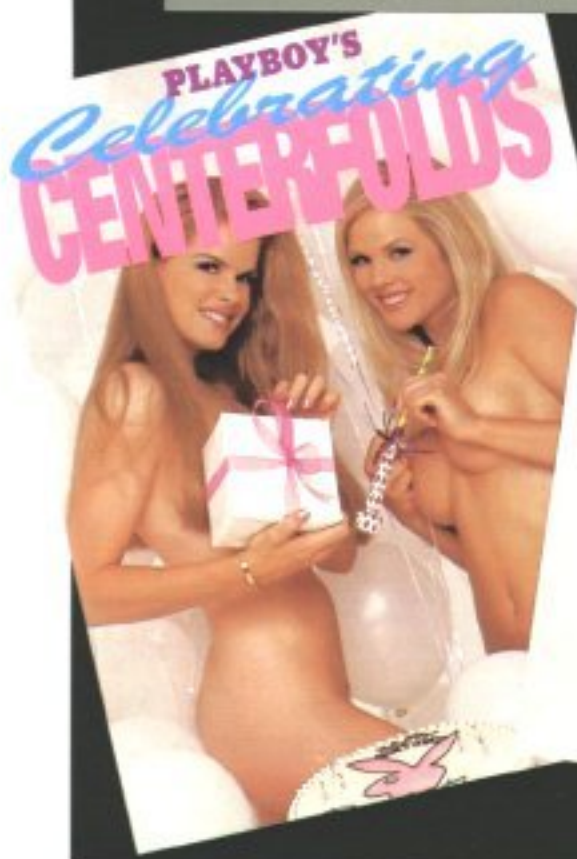

HARDBODIES We're looking for personal trainers, weight lifters, athletes, bodybuilders or any woman who displays hard-won physical perfection.

NATURAL BEAUTIES Like the first volume, this issue is devoted to beautiful women in their original packaging. Only requirements: no enhancements, no alterations.

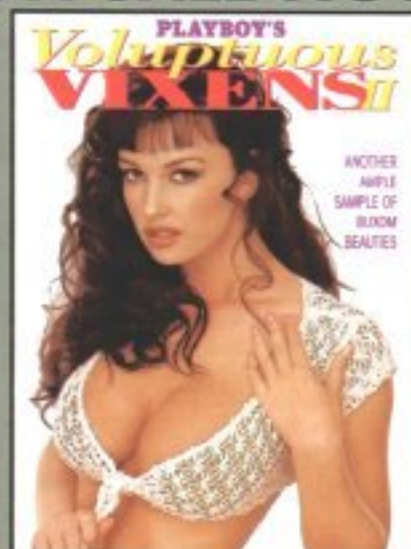

If you or someone you know would like to appear in one of these NSS, send recent color snapshots, Polaroids or slides that clearly show face and figure along with a complete list of personal data. This should include height, weight, measurements, activities, sports and any interesting or unique biographical information. If you are a college student, include school, year and major. Potential models must be 18 years of age or older and be able to prove it. Photocopies of two pieces of identification must be included with all submissions. One piece of I.D. must have a current photograph. Submissions returned only with self-addressed, stamped envelope. Contact us via mail, phone, fax or e-mail for complete rules and information.
